

**WELCOME TO THE LIVING ENVIRONMENT
MRS. SPARGIFIORE**

EMAIL: jspargifiore@bellmore-merrick.k12.ny.us

I hope that everyone had a wonderful and restful summer! My goal this year is to guide you through an exciting exploration of our living environment and to help you discover that science is all around us; it can be found in every aspect of our daily lives.

EXPECTATIONS:

1. Have RESPECT for all members of our class.
2. Follow all safety procedures (we will discuss these).
3. No hats worn during class & no food or drinks in the classroom.
4. Have homework completed on time and ready to be checked/collected at the bell.
5. Labs must be made up **within one week** of being absent; **1200 minutes** of laboratory work are required to sit for the Regents exam (including four mandatory state labs).

*Regular updates will be available via ENGRADE (an instruction sheet will be sent home with log in instructions) and grade sheets will be sent home periodically. However it is **YOUR** responsibility to make up missed work or incomplete work in a timely fashion.

SUPPLIES:

- Three-ring binder & a folder
- Three-hole puncher that clips into binder (optional)
- Several blue/black pens & #2 pencils

TESTS	60%
QUIZZES	20%
LABS/CLASSWORK	10%
HOMEWORK	10%

EXTRA HELP: WEDNESDAY & THURSDAY
STARTING @ 2:15 PM IN ROOM 327

By signing below I acknowledge that I have read the expectation sheet and am fully aware of the expectations for this course. **(PARENTS/GUARDIANS PLEASE EMAIL ME SO THAT I CAN ADD YOU TO MY CONTACT LIST)**
