

Living Environment Homework Assignment #1
Memorable Quotes = QUIZ GRADE

- For your first assignment I would like you to find a quote that you like. This quote should relate to the environment, science or character (such as friendship, honesty etc.). The following should be done to receive full credit:
- The quote should be typed in a legible font, but can be one of your choice (the font should be large- at least size 36)
- The author of the quote should appear below the quote
- Put clip art around the quote or draw with markers/colored pencils to make the quote appealing to the eye
- Cut the paper around the quote into an interesting shape (if possible, back on construction paper or some other colored paper)
- Put your name on the back of the quote

Example:

When we try to pick out anything by itself, we find it is tied to everything else in the universe.

John Muir (1838-1914) U. S. naturalist, explorer.

** obviously you can't use this one ☹
